Description

T-ST01 is a bold statement which perfectly fits with every contemporary environment. The single totemic leg is heavy and its lines flow seamlessly between the square and the round section, without visible screws. The table top is made entirely of Fenix®, a revolutionary high-quality material, extremely resistant to scratches, low light reflectivity, anti-fingerprint surface and a soft-touch feeling. All Temper products are made of raw pickled iron and are provided with a transparent or colored matte finish base.
